# U.S. EXPORT SALES

- Outstanding Export Sales  
(Unshipped Balances)  
on JUNE 18, 1978
  - Export Shipments in  
Current Marketing Year
  - Daily Sales Reported  
JUNE 19 - 25, 1978
- As Reported by Exporters

Outstanding export sales as reported by private exporters and compiled with other data in this release give a snapshot view of the current contracting scene. At any given time in the course of a marketing year outstanding sales do not bear a consistent relationship to eventual export shipments. A meaningful export projection is not obtainable by the simple device of adding outstanding sales to exports to date. The latter data, alone, may provide a more reliable measure of current export activity than may be derived from a year-to-year comparison of outstanding sales.

EXPORT SALES REPORT

Comments on release of June 29, 1978, (based on reports from exporters for the week ending June 18.)

Wheat: Net sales activity was slow, as the marketplace marked time while watching the new crop harvest, and international weather and crop developments. Taiwan and Bolivia (under PL-480) registered the only notable purchases. Switches from unknown to the USSR and several other countries resulted in a net decrease in total sales to unknown destinations. Other small contract adjustments caused minor changes in outstanding sales to several other destinations. Export clearances (579,400 MT) were the smallest in a number of weeks.

Corn: Sales activity (816,400 MT) was moderately heavy for the second consecutive week. Korea, Mexico and the USSR were the most active buyers with many other countries making notable purchases. The USSR was also the recipient of a large part of the sales switched from unknown. Sales for shipment during marketing year (MY) 1978/79 increased significantly, as Romania switched 225,000 MT from the current MY to the new crop marketing year. Export clearances (1,365,600 MT) established a new weekly high for the MY.

Barley: Market activity perked up as Taiwan purchased 26,000 MT and exporters reported sales to unknown destinations of 17,000 MT. Exports were moderately heavy.

Oats: New sales (10,900 MT) for the week were all to unknown destinations.

Sorghum: Market interest was light as Switzerland (25,400 MT) accounted for the bulk of the purchases. Exporters elected to supply the remainder of the optional origin sales to Romania with foreign grain. Exports continued at a modest pace.

Rice: Sales in the commercial market registered a sharp increase as Iran, our major dollar customer, added 50,100 MT for MY 1977/78 and 37,500 MT for the next MY. Italy purchased and shipped an additional 15,000 MT, clearing all of their outstanding purchases. Saudi Arabia added a small amount of their MY 1978/79 purchases. Liberia's initial purchase of 6,100 MT for MY 1978/79 was reported. Exports for the week of 128,900 MT were by far the heaviest so far this MY. See special Rough Rice table on page 29.

Soybeans: Sales (255,700 MT) were moderately heavy with Europe and Mexico accounting for most of the activity. Yugoslavia, Japan and Taiwan also added to earlier purchases. The assignment of final destinations and contract adjustments resulted in 57,700 MT decrease in sales to unknown. Exports (515,200 MT) continued strong with the EC and Japan the principal recipients.

Soybean Cake and Meal: Sales (133,400 MT) were extremely heavy as Venezuela, Canada, Iran the EC, and unknown all registered significant increases. Exports (106,800 MT) also remained strong going principally to the EC, Poland, Venezuela, Mexico and Canada.

Soybean Oil: New sales (1,300 MT) were negligible. Exports (16,100 MT) increased due to large shipments to Peru, Mexico and the Dominican Republic.

Cotton: Sales activity rebounded sharply to the second largest week this MY. Current MY sales of 57,200 RB were principally to Canada (41,400 RB), PRC (9,400 RB) and Korea (5,100 RB). MY 1978/79 sales of 119,800 RB were mainly to Hong Kong (31,000 RB), Thailand (20,700 RB), Taiwan (19,400 RB), and PRC (15,400 RB). In addition, a portion of the sales to Bangladesh under PL-480 were reported -- 2,500 RB for MY 1977/78 and 7,700 RB for MY 1978/79. Exports increased as 153,300 RB were shipped, 92 percent going to Asia.

DATA ON TRANSACTIONS REPORTED UNDER THE DAILY REPORTING SYSTEM FOR JUNE 19 - 25, 1978, APPEAR ON PAGE 4.
